### BABY & TODDLER SIGN LANGUAGE CLASSES IN TUSCAN LAKES

Did you know that you can teach your baby to communicate using sign language before he is able to talk? Signing with your child provides him with the tools to tell you what he wants leading to decreased frustration for both him and you! Classes are currently being held right here in Tuscan Lakes. For more information on the benefits of signing with your baby or to check out a class, contact Natasha Henderson at 281-904-7460 or e-mail [babysignclass@yahoo.com](mailto:babysignclass@yahoo.com).

### LANDSCAPING MAINTENANCE IS KEY AS WARMER WEATHER RETURNS

As spring arrives and warmer weather blows in this March, Tuscan Lakes' lawns and gardens will emerge from hibernation. This means that residents will need to begin regular lawn and landscape maintenance to maintain the appearance of their yards. Lawns should be mowed on a regular basis, approximately every 7 to 10 days, once the weather begins to warm up and winter hibernation comes to an end. At this time emerging weeds and clover will need to be removed and edges should also be trimmed. Flower beds will also need to be free of weeds and any dead plants.

**Together, we make Tuscan Lakes a beautiful place to live!**
